LAB.GRUPPEN   IPX LoadLibrary 1.0

2024-07-03 (IPX Controller v2.2.2)

If you have a suggestion regarding a speaker not currently included in the IPX LoadLibrary, please contact us at the Labgruppen community.

Please note that speaker presets supplied by the speaker's manufacturer (noted in the column Manufacturer's File) are the property and responsibility of each manufacturer respectively. Lab.gruppen accepts no liability for the content of the preset, or for the consequences of any use or actions taken on the basis of the settings contained by the preset. For any questions regarding a manufacturer's speaker presets, please contact the manufacturer directly.
